

The Prayer of Hannah 1 Sam 1:1-10

A. I need a strong almost a little girl named Penelope praying her good time prayers. She surprised her mother when she asked a little extra to the usual prayer. Penelope said "and then please and the beautiful ones to keep the little flowers warm through the winter." As she climbed into bed she wished ever to her mother "I had time of freedom him. I want the and as of you go sleeping with my men sleep."

B. But Penelope doesn't understand is that God knows very well the thoughts and intents of our hearts. When she fell and prayed to Him and Penelope's petitions, he also saw out entire and our intentions. He one not feeling Him and list. James 5:16 The effectual fervent prayer of a righteous man avails much. Penelope's great heart felt prayer to which angels met her cold afflictions. James 5:16 in all respects in the absence of those names women named Hannah ~~to be a child~~

III. The Bitterness of Her Soul 1519-20

- A. This affliction & adversary causes Hannah to be in bitterness (Not just ^{that} but greatly distressed, troubled, bothered deeply) Oh what a contrite & sorrowful heart ^{to pray} to find peace!
- B. The Tears that She Shed - She wept over situation, Trying to get pregnant with barrenness, Organizing up & down. Hannah poured out. My pastor once said "Dry eyes indicate a dry heart." Like many of the Psalms where David poured out his heart w/ tears & words. Are we broken about our fruitlessness? Can we not shed tears anymore?
- C. Our ~~our~~ pillows, Bibles, Candles, slanders w/ tears. Dr Brown "Some things never change" Tears are a language that God understands
